

# CONGO PROJECT

## HOW DO WE CONNECT TO THIS PROJECT?

Pastor Angela felt a deep connection to this project when it was first announced in 2022 but knew we didn't have any resources until our building sold. The Congo sits in the heart of Africa, touching 9 other countries. The Church Council chose to give a donation of \$50,000\* toward this Training Center as part of our tithe from the property. **We have the opportunity to partner together to reach 100 million people in Africa for Jesus. Prayerfully consider donating to the "Congo project" in 2024.**

Rendering of the future Training facility that sits next to the Foursquare Church in Kinshasa to reach all of Central Africa and beyond.

**PROJECT COST: \$550K**  
**ALREADY RECEIVED: \$445K\***  
**STILL NEEDED: \$ 105K**

### DAN LUCERO, [4] AREA MISSIONARY

"The church is something that has to be indigenized. The Congolese, Chadians and Cameroonians are rising up. The thing that gives me hope is the church is growing stronger here."

### JEFF LAMONT, ATLANTIC DISTRICT MISSIONS MOBILIZER

"Partnership is key. Together on mission we can accomplish incredible things."
